

GET COMP'D

The City of Charleston needs your input. We are updating the **Century V Comprehensive "Comp" Plan**, a plan for the entire city's future. We're hosting public input sessions for you and your neighbors. You will gain valuable insight into where Charleston is headed in the future as well as interact with the city planners.

How do I get Comp'd?

Come to a meeting and tell us what you think about the Comp Plan. Comp stations will include refreshments & discussion topics such as:

- The Economy
- Improved Transportation Options
- Public Services
- Future Land Use
- Charleston Going Green
