Tuesday, February 10th 8:00am-10:00am
Third Floor Public Meeting Room

Southeastern Wildlife Expo Goes Green with Recycling

Join us for the Southeastern Wildlife Expo (SEWE) February 13th - 15th. Come lend a hand at one of Charleston's largest and most exciting events - the 27th Annual Southeastern Wildlife Exposition (SEWE). Friday, February 13th to Sunday February, 15th join the Charleston Green Committee, both the City and County of Charleston and many others in helping SEWE go "Green" by supporting their efforts to reduce waste and increase recycling at the event. Specifically volunteers will be educating event attendees at the Recycling and Waste Stations.

As a perk all volunteers will receive free admission to the SEWE events.

Volunteers are needed for:

Friday, 2/13 9am-2pm and 2pm to 7pm;

Saturday, 2/14 9am-2pm and 2pm-7pm;

Sunday, 2/15 9am-2pm and 2pm-7pm

To sign up for this event go to: <http://www.HandsOnCharleston.org>.

The Charleston Green Committee has participated in other local events including the Piccolo Spoleto Finale and the Charleston Green Fair helping to increase recy-

The Charleston Green Committee has participated in other local events including the Piccolo Spoleto Finale and the Charleston Green Fair helping to increase recycling and reduce waste with great success.

City of Charleston Seeks a Sustainability Coordinator

Please help the City of Charleston spread the word that applications are currently being taken for the Sustainability Director. The City of Charleston is very excited to add this position to the Charleston team.

The Sustainability Director's duties include:

- Assists the Mayor and the Director of the Department of Planning, Preservation and Sustainability in the creation of short and long-range planning goals and objectives related to sustainability of all City operations and advocacy of sustainability to the Charleston community,
- Develops and supervises the implementation of policies and procedures related to the sustainability of all City operations and advocacy,
- Oversees the creation, implementation, evaluation and revision of the City's Climate Protection and Sustainability Plan including coordinating with the Mayor, Department Directors, the Charleston Green Committee, local non-profits and the business community and
- Establish target goals for achieving climate neutrality as soon as possible.

More responsibilities and more details on the position can be found on page 2 of the link for advertisement for this new position.

<http://www.charlestoncity.info/shared/docs/0/external%20posting%202-3-09.pdf>

The deadline for applying is February 13, 2009.

Please send any questions to hr@ci.charleston.sc.us.
