

JOHNS ISLAND

SMARTCODE CHARRETTE

THEN.

NOW.

TOMORROW.

WE NEED YOUR HELP TO
SHAPE THE FUTURE OF JOHNS ISLAND.

HANDS-ON COMMUNITY DESIGN WORKSHOP MAY 28 - JUNE 2, 2008
PRESENTED BY THE CITY OF CHARLESTON DEPARTMENT OF PLANNING, PRESERVATION &
ECONOMIC INNOVATION AND TOWN PLANNING & URBAN DESIGN COLLABORATIVE LLC
OPEN TO THE PUBLIC. YOUR INVOLVEMENT IS ESSENTIAL!

SEE BACK FOR DETAILS.

What is a Charrette?

A charrette is an intense, participative process where ALL MEMBERS OF A COMMUNITY work directly with a multidisciplinary design team, including town planners, architects, landscape architects, traffic engineers, illustrators and coding experts to define a COLLECTIVE VISION for a region. For more information go to www.tpudc.com.

Please Join Us for the following events at:
3351 MAYBANK HIGHWAY
